

FISCAL NOTE

SB 127

February 10, 2007

SUMMARY OF BILL: Expands offense of escape from a penal institution to include escape by persons being held for a civil matter. Offense is a Class A misdemeanor.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Revenues – Not Significant

Increase Local Govt. Expenditures – Not Significant

Assumptions:

- It is conceivable that persons jailed for civil contempt of court, involuntary mental health commitment, or juvenile delinquency could be included within the expanded offense of escape. The number of persons jailed for civil matters who escape is estimated to be negligible.
- There will not be a sufficient number of prosecutions for local governments to experience any significant increase in revenues or expenses.
